Bringing the Message of Christmas to Peterborough

Jonathon Greenwood (Children and Families worker at Park Road Baptist) is keen to start organising a city centre event this Christmas. On Saturday 10th December the CTiCP are looking to bring the message of Christmas to the people of Peterborough by putting on a special event in the Cathedral Square. The aim is to let people know that Jesus and his Church are Alive and that Jesus wants to be a part of people's lives today. This is to be achieved through testimonies, music, puppets and various fun activities. Jonathon is looking for people/representatives from the churches in central Peterborough to join him in the steering group to organise this event. If anyone is interested please contact him by email at familiesworker@parkroad.org.uk or by phone on 01733 347709
